

Introduction

'Alerts' notify you by email when there are new listings on the exchange. There are two ways to subscribe to (receive) alerts:

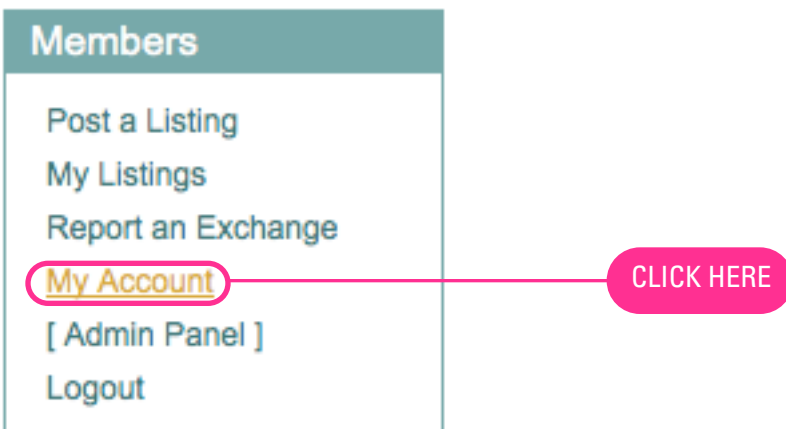

1. You can subscribe (receive an alert) to 'All' categories. When you do this it will unsubscribe you from your individual category subscriptions and will notify you of new listings in all category.
2. You can subscribe to individual categories; you can choose an unlimited number.

How to create an alert

Step 1

Step 2

Step 3

My Account

[Home](#) / [Account](#) / [My Account](#)

[Profile](#)

Alerts
